

Technical drawing of a mechanical part. The main view shows a cross-section with dimensions: 150 (total height), 52 (top section height), 80 (middle section height), 18 (bottom section height), 30 (width of the central hole), and 40 (width of the base). A detail view (A) is shown to the right, illustrating a cross-section of a hole with a central shaft and a surrounding flange.

Raumseite

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions in millimeters. The drawing includes a top view and a side view. The top view shows a rectangular base with a central slot and a circular hole. The side view shows the profile of the part, including a vertical support and a horizontal flange. Dimensions are indicated by arrows and numbers: 52, 80, 150, 18, 40, and 30.

Raumseite

Technical drawing of a window frame cross-section. The drawing includes the following dimensions and labels:

- Abstand 5**: Distance from the wall to the frame.
- 232 (220)**: Total width of the frame assembly.
- (18)**: Width of the frame profile.
- 20**: Thickness of the frame profile.
- 150**: Height of the frame assembly.
- 154**: Height of the frame assembly including the sill.
- 100**: Height of the frame assembly including the sill.
- 103**: Width of the frame assembly including the sill.
- 200,5**: Width of the frame assembly including the sill.
- 228**: Total width of the frame assembly.
- M8**: Bolt size for the frame assembly.
- Verstellbereich = 170 - 16**: Adjustment range.
- EPDM**: Material of the frame assembly.
